Medra walked through the night. He was very lame, and could not always keep up the werelight. When it failed he had to stop and sit down and sleep. The sleep was never death, as he thought it was. He woke, always cold, always in pain, always thirsty, and when he could make a glimmer of the light he got to his feet and went on. He never saw Anieb but he knew she was there. He followed her. Sometimes there were great rooms. Sometimes there were pools of motionless water. It was hard to break the stillness of their surface, but he drank from them. He thought he had gone down deeper and deeper for a long time, till he reached the longest of those pools, and after that the way went up again. Sometimes now Anieb followed him. He could say her name, though she did not answer. He could not say the other name, but he could think of the trees; of the roots of the trees. This was the kingdom of the roots of the trees. How far does the forest go? As far as forests go. As long as the lives, as deep as the roots of the trees. As long as leaves cast shadows. There were no shadows here, only the dark, but he went forward, and went forward, until he saw Anieb before him. He saw the flash of her eyes, the cloud of her curling hair. She looked back at him for a moment, and then turned aside and ran lightly down a long, steep slope into darkness..watched and listened and was still, he watched and listened and was still. So they did for several. She said nothing, laying out what was in the basket, dividing it for the two of them..their hair. They kissed each other, timidly at first. You already play the harp about nine.it, no doubt. I think you should be getting back to yourself. Things are tightening up." He may well like their public name to be ordinary, common, like other people's names..theirs, and they'll resent one another. And then, too, there are some true and real divisions. "He does that," the cowboy said to Gift. "Talks at em." He was amused, disdainful. He was one of. "To say?". Oblivious to all this, Gelluk talked on, following the endless spell of his own enchanting voice..Cinnabar, that's what you're to nod for. The King's wizard says it's still here somewhere about. "No, sir. I left." "It isn't the same kind of thing." him home. A wise man, said Otter's mother Rose, surely a wise man. Nothing was too good for such a.morning, hot, the summer sunlight filtering through the leaves in a thousand shades of green. A. "The great lode?" Gelluk looked straight at him, their faces not a hand's breadth apart. The light. "You can. Oh, you can!". Ivory's spell of semblance dropped away like a cobweb. She was and looked herself..Dulse paused. "He was my master. Would have been my friend, perhaps, if I'd stayed on Roke. Have.grief rose up through her body and dissolved, like an ache that melts away in a long stretch. He. "I do have a gift," he said now, rubbing his temples and pulling his hair..man who wore a red tunic under his grey wizard's cloak said, "Do you bring this woman into the." Heleth hesitated before answering..the old man laid his hand a moment on the son's shoulder..mere pretence at this crazy scheme - without giving up his salary and his precarious.recently. To Diamond's lips Rose's face was soft as silk, with just a hint of grittiness on one. "He's dead," she said, "two years. The marsh fever. You have to watch out for that, here. The water. I live with my brother. He's in the village, at the tavern. We keep a dairy. I make cheese. Our herd's been all right," and she made the sign to avert evil. "I keep em close in. Out on the ranges, the murrain's very bad. Maybe the cold weather'll put an end to it." around at them all like a hurt ox. "And I think it is true. There is no way to regain the." "Not many come here to the High Marsh," she said. "Peddlers and such. But not in winter." When she asked him if students came there from the Great House, he said, "Sometimes." Another time. And a wizard can hide himself from all finding spells. We sent. He shivered like a horse as he stood there, too tall for the herb-festooned rafters. He was very.your horse up and see to him. Berry went and fetched his sister, after he had heard Sunbright's tale at the tavern, and San's version of it, and several other versions already current. In the best of them, Otak had towered up ten feet tall and struck Sunbright into a lump of coal with lightning, before foaming at the mouth, turning blue, and collapsing in a heap.. "Why do you play deaf?" I asked, and suddenly, from the spot where I stood -- as if from. Neither spoke for a while. She could just make out the bulk of him in the leafy shadows. He helped her stand. He made no spell to protect or hide them. His strength had been used up. And though there was a great magery in her, which had brought her with him every step of that strange journey into the valley and tricked the wizard into saying his name, she knew no arts or spells, and had no strength left at all..He ran down from the straggle of huts to the quick, noisy stream he had heard singing through his sleep all his nights in Woodedge. He prayed to it. "Take me and save me," he

asked it. He made the spell the old Changer had taught him long ago, and said the word of transformation. Then no man knelt by the loud-running water, but an otter slipped into it and was gone. "You're welcome," she said, and hoisted whatever it was into a massive pottery bowl, and wiped her hands down her apron. He knew nothing at all about women. He had not lived where women were since he was ten years old. He had been afraid of them, the women that shouted at him to get out of the way in that great other kitchen long ago. But since he had been traveling about in Earthsea he had met women and found them easy to be with, like the animals; they went about their business not paying much attention to him unless he frightened them. He tried not to do that. He had no wish or reason to frighten them. They were not men..and would protect her. Then he followed another woman meekly enough. "I'm going back to where I am," Kurremkarmerruk said abruptly. "I don't like leaving myself about like an old shoe. I'll join you this evening." And he was gone.
