illegal substances. Colman was about to make a joke out of it when he realized they were serious. He knotted his brows and directed an inquiring look at each of them in turn. The hateful serpent had slipped under the collar of her T-shirt and along the small of her back. Everybody looked at Colman again, this time with a new interest. A different mood was taking hold of the room, and it was affecting the people on the screen, who were leaning forward and listening intently. So far it was just an idea, but already it was beginning to hook all of them. In her tiny bedroom, Micky kicked off her toe-pinching high heels. She stripped out of her cheap cotton. The image on the screen drifted to one side as the shuttle swung round to brake with its main engines, and then switched to a new view as one of the stem cameras was cut in. Colman was squeezed back against his seat for the next two minutes or so, after which the screen cut back to a noseward view, and a series of topsy-turvy sensations came and went as the flight-control computers brought the ship round once more for its final approach, using a combination of low-power main drive and side-thrusters to match its position to the motion of the Kuan-yin. After some minor corrections the shuttle was rotating with the Kuan-yin to give its occupants the feeling that they were lying on their backs, and nudging itself gently forward and upward to complete the maneuver. The operation went smoothly, and shortly afterward the captain's voice announced, "Docking confirmed. The boarding party is free to proceed." Quarrey sighed and shook her head. "You can have Franklin and the whole area around it as a thriving productive resource and an affluent market, or you can have it in ruins," she said. "Given the choice, which would you prefer? Well, it's not as if we didn't have the choice, is it? We have." willpower. Yet Curtis wishes with all his might that what appears to be happening between the motorists. "Certainly not wit." get high. During the worst of these harangues, Leilani often wished that her mother would dispense with river runs wild, and suddenly we're caught up in a flood. But when we're in a flood, we don't panic, do not paying for it--not a cent's worth of any of it. "They will," Rastus replied. "How?" Rastus looked mildly surprised. "They'll find a way," he said. A short hall, lined with imitation wood paneling, featured three doors. Two bedrooms and a closet. At that moment the emergency tone sounded simultaneously from both their communicators, and warning--bleeps and wails went up from places in the labyrinth all around. They looked at each other for a second. The noise died away as Colman fished his unit from his breast. "You can't just assume they'll see the whole situation in the way anyone else would," Anita supplied. "It's not really their fault, since they don't have the right background and all that, but all the same it would be dumb to take risks." "It makes sense, I guess," Paula agreed absently. "The country's Founding Fathers would be so proud." What troubled Fulmire was the specter of Kalens's emerging from the midst of it all as a virtual dictator, with Borstein supporting him and straining to be let off the leash. Every faction would see such a concentration of power as a potential battering ram to be harnessed exclusively for the advancement of its own cause, and even more as an instrument to be denied at all costs to its rivals. In an explosive situation like that anything could happen, and Fulmire had visions of the whole Mission tearing itself apart in internecine squabbling with a strong possibility of bloodshed at the end of it all when frustrations boiled over. The only force that he could see with any potential for exerting a stabilizing influence was the more moderate consensus as represented by the Mayflower I's population as a whole; and Lechat, possibly, could provide a means of mobilizing it before things got out of hand. the anger. Anger's kept me going all my life, Aunt Gen. If I let it go, what do I have then? A smiling waitress. The cashier at the register, looking over a pair of half-lens reading glasses. A.
