Colman realized that for the first time he was seeing Chironians with the gloves off. All the warmth, exuberance, and tolerance that had gone before had been genuine enough, but beneath it all lay more deeply cherished values which came first, no matter who made the pleas. On that, there could be no concessions..could endure, this was too much, too much, intolerable..sharp as venom..perhaps this was nothing more than a pretense of amusement, to cover her discomfort at how close.make-believe cop, like what I am now, and if someday I can't do this . . . Well, then , . ."Oh, I don't know... four, five, maybe. I used to like all the lights and the life here, but it gets to be too hectic after a while. Now I prefer the hills. 'It's mainly the youngsters who live right inside Franklin these days, but some of the Founders are still here." "I don't how." Amy screwed her face up and rubbed the bridge of her nose with a finger. "I suppose I'd have to be crazy." Celia didn't seem to hear. Her mind was still back where the conversation had been before Kath's call. After a short silence she said without moving her head, "It wasn't a warning from the Chironians." "Definitely not. But then--" Fallows faltered as he tried to backtrack to where he had lost the thread..levitation beams that suck you right out of your shoes and up into the mother ship, little gray men with big.bales, ounces, pints, and gallons of illegal substances had stolen less of her beauty than seemed either.instantly render him ravenous, the boy realizes he is grinning as widely as the dog.."Lay off, Hoover," Chang said wearily. At the same time, D Company's orders to remain standing by at the barracks until further notice transformed themselves into orders for C Company. Ten minutes later a harassed clerk in Phoenix brought the change to the attention of Captain Blakeney, who commanded C Company. Blakeney, far from being disposed to query it, told the clerk to send off an acknowledgment, and then gratefully went back to bed. Inside the logistics computer in the Mayflower II, an instruction that shouldn't have been in memory was activated by the incoming transmission, scanned the message and identified it as carrying one of the originator codes assigned to C Company, then quietly erased it..years old. "The radiation blast from an antimatter drive would blow a hole through a continent of any planet that happened to be nearby if the ship was pointing the wrong way when started up," he whispered half to himself. "It's been up there in orbit, right under our noses all the time. They've got the biggest radiation projector anybody ever dreamed of-right there, riding out in space with the Mayflower II. They put kids and comic robots on it, and we never even noticed it." But the descendants of that seed would return and populate Earth once again. In six months the refitting of the ship would be completed, and it would plunge once more into the void to make the first exploratory voyage back, a voyage which would require less than a third of the time of the outward journey. Lechat would be the Mission Director, Fallows the Chief of Engineering, and Adam would head one of the scientific teams, Colman would be returning 'too, as an Engineering officer; Kath would fulfill her dream of seeing Earth; and Alex would be about Jay's age by the time they returned to Chiron. Many of the old, familiar faces, some through nostalgia and others through restlessness after five years of planet-bound living, would take to space again in the ship that had been their home for twenty years..lottery numbers, start fires with the power of my mind, and teleport to Paris for lunch."
