Behind Sirocco and taking up almost half of the available floor space, the whole of D Company was present in dress uniform to represent the Army. Bernard Fallows was back in uniform as the new Engineering chief with the crew contingent, having agreed to Admiral Slessor's request for a six-month reinstatement to help organize a caretaker crew of trainee Terrans and Chironians who would use the Mayflower II as a university of advanced astroengineering. Jean Fallows, Jay, and Marie were present with Celia, Veronica, Jerry Pernak, and Eve Verritty in the front row of the guests included by special invitation, and with them were Kath and her family alongside Otto, Chester, Leon, and others from the base in Selene and elsewhere. As if to underline and reecho Wellesley's acknowledgment of how the future would be, there was no segregation of Terrans and Chironians into groups; and there were many children froth both worlds.."Why?" a girl in a pink jacket asked..Frowning, Geneva said, "Maybe it was Las Vegas."..Bernard noticed several young girls who couldn't have been much more than Marie's age wheeling or carrying babies, before he registered with a jolt that the babies were probably their own. Mixed with the shock of the realization came a twinge of relief that he had left lean and Marie at home. Explaining this was going to require some delicate handling. Fear is a poison produced by the.EARLY THAT EVENING, Sirocco presented himself at the Transportation Controller's office in the Canaveral shuttle base to advise that D Company had arrived for embarkation as ordered. Capacity had been scheduled since morning, and the Controller did no more than raise his eyebrows and check the computer to verify the change; it didn't make any difference to him which company the Army decided to move up to the ship as long as their number was no more than he had been expecting. An hour later the company marched off the shuttle in smart order, and after clearing the docking-bay area in Vandenberg, dispersed inconspicuously to their various destinations around the Mayflower 11. Speed was now critical since only so much time could elapse before somebody realized a replacement unit from the surface hadn't shown up where it was supposed to..To her surprise, sitting across the dinette table from Geneva, Micky began to weep. No racking sobs..Lechat agreed that the Chironian culture, far from being

a naive and backward experiment that would be absorbed without difficulty into the Terran system, as had been assumed, was highly developed in its own unorthodox way and would not yield readily to changes. The two populations could not simply be left to collide with each other in the hope that an equilibrium would establish itself. Something, somewhere, would blow up before that happened..Suspecting that Rickster might be a little afraid of the night, Noah said, "Do you want me to take her."The day of the test," Leilani said, "I had chocolate ice cream for breakfast. If I'd had oatmeal, I might've."We'll have to keep the unit intact in case there's a showdown," Sirocco murmured. "And I suppose we'll have to play along with Stormbel for the time being if we want to be free to move." He turned away and moved toward the far wall to think silently for a few moments longer, then wheeled about and nodded. "Okay. Bret, you have to leave for the base right away. Just hope that that Veronica comes off that shuttle, and use your own initiative to get her out. That's all you have to worry about so, on your way." Hanlon nodded and disappeared back through the Orderly Room. "Steve," Sirocco said. "Pick anyone you want to send to Franklin, and wet just have to leave the rest of that side of things to Kath. You vanish when you've done that, and do whatever you have to do to get Celia out and over to the Fallowses' place. When you've collected the other two people from there, take them all to the post between the north checkpoint and the rear of the construction site by the freight yard. Maddock's section will be manning that sector from midnight to 0400. They know how to distract the SDs, and I'll make sure they're expecting you." Colman nodded and tuned to follow in the direction which Hanlon had gone. "Oh, and Steve," Sirocco called as a new thought struck him. Colman stopped at the door and looked back. "You say you know Fallows fairly well? maintenance ladders, and catwalks. There was no other way through or round the bulkhead. The only route forward from the Hexagon was through the lock,.not paying for it--not a cent's worth of any of it." "They will," Rastus replied. "How?" Rastus looked mildly surprised. "I was willing to bargain," he grated. "Evidently we have failed to impress upon you the seriousness of our intentions. Very well, you leave me no further choice. Perhaps a demonstration will serve to convince you." He turned to Stormbel. "General, advise the status of the missile now targeted at the Chiron scientific base in northern Selene." "A scandalous exhibition!" he declared as he sliced a portion of melon cultivated in the Kansas module and added it to the fruits on the plate by his aperitif on the table before him. "Nobodies and Cretins, all of them. Not one of them had any representative powers worth speaking of. Yet ifs clear that a governing organization of some kind must exist, though God knows what kind of people it's made up of, judging from the state the town's in a total shambles. The only conclusion can be that they've gone to ground and won't come out, and the population as a whole is abetting them. I think John's right--if they're as good as inviting us to take over, we should do so and be done with it."Kath closed her eyes gratefully for a moment,' and then turned to speak to Veronica, Adam, Casey, and Barbara, who were off-screen.
