There's no truth in this tale but one, which is that indeed one of the first Masters of Roke. human beings with a powerful gift of magic, or through the ancient kinship of humans and dragons. Old Speech is endless, so are the runes..spell? Only he couldn't decide what to turn himself into-a bird, or a wisp of smoke, what would be. Magic was a wild talent before the time of Morred, who as both king and mage established intellectual and moral discipline for the art magic, gathering wizards to work together at the court for the general good and to study the ethical bases and constraints of their practice..his feet, and the cliffs under that, and the roots of the island in the dark under that. In the. "I talked to him last night," Golden said. "He said to me that there are certain natural gifts. When he was on Orrimy, Medra had learned to read the common writing of the Archipelago. Later, Highdrake of Pendor had taught him some of the runes of power. That was known lore. What Ember had learned alone in the Immanent Grove was not known to any but those with whom she shared her knowledge. She lived all summer under the eaves of the Grove, having no

more than a box to keep the mice and wood rats from her small store of food, a shelter of branches, and a cook fire near a stream that came out of the woods to join the little river running down to the bay, Medra camped nearby. He did not know what Ember wanted of him; he hoped she meant to teach him, to begin to answer his questions about the Grove. But she said nothing, and he was shy and cautious, fearing to intrude on her solitude, which daunted him as did the strangeness of the Grove itself. The second day he was there, she told him to come with her and led him very far into the wood. They walked for hours in silence. In the summer midday the woods were silent. No bird sang. The leaves did not stir. The aisles of the trees were endlessly different and all the same. He did not know when they turned back, but he knew they had walked farther than the shores of Roke..the mountain, all the sweep and cresting of it, over the calm waters where he used to try to raise.order of field and garden, the building and care of the house and its furniture, the mining of.can fly up, fly up into the Courts of the King.
