I'm not of the persuasion that wants a wife, dear.".As

Nolly hung his raincoat and his porkpie hat on a rack by the hall door, Kathleen Klerkle appeared in the entrance to the nearest of the two treatment rooms. "Are you ready to suffer?" Breath repeatedly catching in her throat, heart thudding, Agnes watched her son through the open car door. "Maybe he could if he was able to lift it, but I couldn't throw a pig or an Oreo or anything else into any other place. It's just not something I know how to do." As the storm failed to dampen Joey, so the rotating red-and-white beacons on the surrounding police vehicles did not touch him. The heedless of the rules of standard police procedure, Tom raced to the doorway, crossed the threshold, and saw Barty throw a can of soda at the shaved head and pocked face of a transformed Enoch Cain. With a thin hiss of disgust, Junior pulled away from the thing, whatever it was, withdrew the flashlight from his belt, and listened intently for sounds in the alleyway. No voices. No footsteps. Only distant traffic noises so muffled that they sounded like the grunts and groans and low menacing growls of foraging animals, displaced predators prowling the urban mist. "So where he threw the quarter," Barty said, as Angel listened intently and nodded her head, "wasn't really into Gunsmoke, 'cause that's not a place, it's just a show. See, maybe he threw it into a place where I'm not blind, or into a place where he doesn't have that messed-up face, or a place where for some reason you never came here today. There's more places than anybody could ever count, even me, and I can count pretty good. That's what you feel, right-all the ways things are?" "You should call San Francisco police, have them put your place under surveillance and nail him if he turns up." Lipscomb turned to Celestina. "Before lapsing into semicoherence again, your sister said, 'Beezil and Feezil are safe with her,' which may sound less than coherent to you, but not to me." Agnes pulled the stack of cards in front of her. She discarded the first two, as Maria would have done, and turned over the third. Paul recalled the letter he had written to Reverend Harrison White a couple weeks after the death of Joey Lampion. He'd carried it home from the pharmacy on the day that Perri died, to ask for her opinion of it. The letter had never been mailed. He moved the shaker across the tablecloth, rocking it back and forth to convey that he was strolling without a care in the world. "I don't know." He was silent a moment. "That's what's going to be interesting." Junior leaned forward and slid the packet of cash across the desk, toward the detective. "There's more where this came from." Then the hero got in the sedan with his friends, and they drove away into the sun-splashed morning. "In addition to that policy," said Vinnie, "there's another. . . --he filled his lungs, hesitated, then exhaled the air and the sum with a tremor---" seven hundred fifty thousand. Three-quarters of a million dollars. From out of the fog and darkness came the slap of running feet on bricks. He was sprinting toward the back of the house. Beveled, crackled, distorted, divided into petals and leaves, Deed's face beyond the lead-ad glass, as he leaned closer to try to peer inside, was the countenance of a dream demon swimming up out of a nightmare lake. The Bones of the Earth. She slept for a while, waking to a prayer spoken softly but fervently in Spanish. "Some Baptists are opposed to drink, Doctor, but we're the wicked variety. Though all we have is a warm bottle of Chardonnay." The family didn't exist in anticipation of developments with Barty and Angel, didn't put the pair at the center of their world. Instead, they did the good work, shared the satisfactions that came daily with being part of Pie Lady Services, and got on with life. The man's voice echoed hollowly in Junior's ears, as if coming from the far end of a tunnel. Or from the terminus of a death-row hallway, on the long walk between the last meal and the execution chamber. As Junior was about to knock again, the door flew inward, and over Sinatra having fun with "When My Sugar Walks Down the Street," Victoria said, "You're early, I didn't hear your car--" She was speaking as she pulled the door open, and she cut herself off in midsentence when she stepped up to the threshold and saw who stood before her. She dealt with them equally, too, favoring neither--except in the matter of pie delivery. On those rare occasions when she could not make these rounds herself and when she had no one to turn to but a brother, Agnes always asked for Edom's help. Trees also revealed Barty, and no radiance from another world shone spectrally through him, as it had shone through Joey--dead-and-risen. After a little silence Otter said, "Thanks." And he looked up at Hound, one brief, questioning, judging glance. As Celestina settled on the sofa with the phone in her lap, hesitating to dial until she worked up a bit more courage, Angel said to Tom, "So what happened to your face?" For a spirit, the maniac lawman appeared disturbingly solid. He wore a tweed sports jacket and slacks that, as far as Junior could tell, were the same clothes he'd worn on the night he died. Apparently, even the ghosts of Sklent's atheistic spiritual world were stuck for eternity in the clothes in which they had perished. "If I ever have trots, you'll know." And then in the Cheese voice: "CAN WE LISTEN TO THE BOOK TALK IN YOUR ROOM?" that he could not entirely analyze. Any amateur magician--indeed, anyone willing to practice enough hours, magician or not--could master this trick. It was mere skill, not sorcery. "What was your motive, Enoch?" Happy weekend. His attitude amazed her, and his strength in the face of darkness gave her courage. After a hesitation, she said, "You're the boogeyman, except when I saw you, I was hiding under the bed where you're supposed to be." "Or at least, if the police knew the truth at that time, they hadn't yet gone public with it. I had no reason to mention it to you back then. I didn't even know Vanadium was missing." In the distance, the clang of a trolley-car bell. Hard and clear in spite of the muffling fog. Unable to continue Tehanu's story (because it hadn't happened yet) and foolishly assuming that the story of Ged and Tenar had reached its happily-ever-after, I gave the book a subtitle: "The Last Book of Earthsea." They introduced themselves as Knacker, Hisscus, and Nork, but Junior didn't bother to associate names with faces, partly because the men were so alike in appearance and manner that their own mothers might have had difficulty figuring out which of them to blame for never calling. Besides, he was still tired from his recent ramble through the hospital--and unnerved by the thought of some baleful-eyed Bartholomew prowling the world in search of him. He hadn't lied to his mother. She assumed that by some quantum magic, he had regained his sight permanently, and that this came with no cost. He merely allowed her to go to her rest with the comforting misapprehension that her son had been freed from darkness. "Ouch," said Edom, and this earned him loving smiles from Maria, Agnes, and Barty. Celestina dropped to one knee in front of Angel, to tie the drawstrings of the hood under the girl's chin. In the closet, a limited wardrobe did not fully occupy available rod space. On the floor, shoes were neatly arranged toe-to-heel. While Junior had been hospitalized, Vanadium had searched his lace, with or without a warrant. Turnabout was satisfying. Instead of immediately killing anyone, Junior returned to his apartment on the afternoon of December 29, and went to bed, fully clothed. To calm down. To think about focus. O foolish writer. Now moves. Even in storytime, dreamtime, once-upon-a-time, now isn't then. If the directory proved to be of no help, Junior would proceed next to the registry office at the county courthouse, to review the records of births going back to the turn of the century if necessary. Bartholomew, of course, might not have been born in the county, might have moved here as a child or an adult. If he owned property, he'd show up on the register of deeds. Whether a landowner or not, if he did his civic duty every two years, he would appear on the voter rolls. After carefully wiping her fingers on a paper napkin, Maria examined the garments with interest. She carried her living as the seamstress at Bright Beach Dry Cleaners. At the sight of each rent, popped button, and

split seam she clucked her tongue..Maria stopped praying with her knuckle rosary and resorted to a long swallow of wine.."It's all the same. Cars, trains, ships, all the same," Jacob insisted. "You remember the Toya Maru? Japanese ferry capsized back in September '54. Eleven hundred sixty-eight people dead. Or worse, in '48, off Manchuria, God almighty, the boiler exploded on a Chinese merchant ship, six thousand died. Six thousand on a single ship!""Well, actually, I owe Phimie. It's what she said between her two deaths on the delivery table that's changed my life.".Koko changed directions with a fantastic pivot turn and bounded after the girl.."I'm glad to hear it," Tom said. His thin smile might have been ironic, though it wasn't easy to interpret the meaning of any subtle expression on his hammered face.Tom was an Oregon State Police detective, as far as Celestina knew, and she didn't understand what he was doing here..Junior strove to appear properly mortified. "Thought I heard something. Searched the apartment.".In the foyer again, about six feet inside the front door, he stood the wineglass on the floor. He placed the bottle of Merlot beside the glass, the red rose beside the bottle..The study was the size of a bathroom. The cramped space barely allowed for a battered pine desk, a chair, and one filing cabinet..The boy dashed for the front passenger's door. Agnes didn't follow him, because she knew that he would politely but pointedly express frustration if any attempt was made to help him with a task that he could perform himself.
