His almond-shaped eyes were attentive, yet seemed to look at her from miles or years away..Printed in the U. S. A.."There was no place for him among the Masters, since a new Master Summoner had been chosen, a strong man in his prime, not likely to retire or die. Among the scholars and other teachers he had a place of honor, but he wasn't one of the Nine. He'd been passed over. Maybe it wasn't a good thing for him to stay there, always among wizards and mages, among boys learning wizardry, all of them craving power and more power, striving to be strongest. At any rate, as the years went on he became more and more aloof, pursuing his studies in his tower cell apart from others, teaching few students, speaking little. The Summoner would send gifted students to him, but many of the boys there scarcely knew of him. In this isolation he began to practice certain arts that are not well to practice and lead to no good thing..the wine merchant there. People have puzzled at their choosing the empty sea for their domain, since dragons are "creatures of wind and fire," who drown if plunged under the sea. But they have no need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight, starlight. The only use a dragon has for the ground is some kind of rocky place where it can lay its eggs and rear the drakelets. The small, barren islets of the farthest West Reach suffice for this..Roke Island, the Bay of Thwil.
